The products in this booklet are offered for reference purposes only without any guarantees as to price, quality or warranty. In association with the products shown, Eversafe Buildings makes no warranties of any kind, either express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, of title, or of non-infringement of third party rights. Eversafe Buildings does not sell these products and has no direct relationship with the manufacturer or reseller. Use of any product in this booklet is solely at the user's risk. When attaching shelving or other objects to the building please consult with building manufacturer to determine if weight restrictions will allow it. Prior to making any modifications to your building, please consult with manufacturer as some modifications may void the building warranty.

Driveway Safety

Retractable Safety Nets to make your driveway safer

Nothing can replace proper supervision and awareness of adult drivers and the children playing however there are products that can make your driveway a much safer place for kids. Bright-orange retractable nets by **KidKushion®** are perfect for catching balls that are errantly kicked and thrown that would have otherwise made it into the road. They also provide a visual and physical protective barrier to keep kids from running into the street while playing. Several online retailers such as **Amazon** and **Google** shopping carry safety nets.

Garage Screen Doors

Hang out and work in your garage comfortably when it's hot out

Spending time in the garage can be difficult when it's hot and buggy outside. Garage screen doors are the perfect solution to allow for cool breezes while keeping out the mosquitos, flies and gnats. You will be able to enjoy working on your vehicles and hobbies and it will be much a lot more comfortable to lift weights or hit the treadmill. **Harbor Freight Tools** sells a Double Garage Screen Door that is easy to install, comes with a magnetic closure and it rolls up for simple storage. **Lifestyle Screens®** has a versatile and durable garage door screen system that is fully retractable and works with your existing garage door.

Garage Security Camera

Monitor your garage and home from anywhere

Home security camera systems have come a long way and now you can economically monitor your home and **Eversafe garage** steel building from anywhere in the world at any time. A very affordable All-In-One High Definition system by **Reo-Link®** with four water-proof cameras and a DVR with 1 Terabyte of storage can be installed in just a few hours.

Garage Stop

Park perfect every time

Protect your garage walls and belongings from getting dinged with a Garage Parking Aid/Stop. Online retailer **TrafficSafetyStore.com** has a garage block is 22"L x 6"W x 4"H and is embedded with reflective stripes. Each block is comprised entirely of recycled tires and needs no mounting hardware.

The **Park n' Place** garage parking accessory by **Homebrite** has a large LED light stop sign is available online at **Amazon**. A flexible pole holds a small stop sign that is placed where your vehicle should stop. When you bump the small sign the large stop sign is lit up alerting you to stop.

Garage Parking Sensor

Parking made easy

Striker® Garage Parking Sensors use ultrasonic range finding technology to alert you when it is time to come to a complete stop. Simply mount the traffic style light and sensing unit to the wall in front of your parking space. Calibrate one time to the exact distance from the wall you would like the red light to come on. The unit keeps the walkway in front of your vehicle well lit and turns off after two minutes.

Car Door Protection

Protect your car doors from dings and scratches

More often damage to your car doors comes from within your own garage than in parking lots. Door Guards are a cushioned strip that mounts to your door with strong suction cups or magnetic strips. There are products made to protect your car doors from damage that permanently mount to your garage wall as well. Check online at **Amazon** and **Griot®s Garage** for a full range of Door Guards.

Heavy Duty Garage Shelving

Maximize the space in your garage with easy to install garage shelving

Heavy duty shelving and racks help to organize your Eversafe metal garage and keep it clutter free. Local hardware stores like **Lowe's** and **Home Depot** sell kits, at department and megastores **Sears**, **Costco**, **Sam's Club** and **Wal-Mart**. All of these companies have online stores as well. When attaching shelving or other objects to the building please consult with building manufacturer to determine if weight restrictions will allow it. Prior to making any modifications to your building, please consult with manufacturer as some modifications may void the building warranty.

Garage Wall Organizer Systems

Find the right tool easily and quickly every time

Wall mounted hooks, racks and slatwall panels are perfect to display all of your tools for easy access and to eliminate clutter. Local hardware stores **Lowe's** and **Home Depot** both sell several organizing systems that mount to your garage walls.

Hose & Extension Cord Holder

Neatly organizes your cords and hoses

Cordpro cord organizers is great for storing cords, cables and small hoses. It easily winds up and doesn't get tangled. Automatically unreeling while you work the **Cordpro** can be unwound from either side. Local and online retail giants **Home Depot**, **Lowes** and **Amazon** all carry the **Cordpro**.

Magnetic Paper Towel Holder

Clean up made sample with easy access

US General and **Spectrum Diversified** are brands of magnetic paper towel holders that are perfect to attach to metal toolboxes and workbenches for easy access. **Amazon** has several colors and styles available and a few more brands to choose from.

Oil Bottle Holder

Organize your cleaning supplies and automotive fluids

GoRhino! Products allows for easy storage of all your motor oil bottles, spray cans and cleaners. They are made of steel and powder coated holding up to eight quart bottles and there is an optional paper towel rack. Several online retailers including **Amazon** carry **GoRhino!** Products.

Wall Bike Rack

Bicycle storage made easy

Racor Storage solutions makes several products designed to help you store and organize your bikes as well as other sports equipment in your metal garage. **Amazon** carries most of the products **Racor** makes and you can get them at **Home Depot** locally.

Tire Covers

Protect and hide your tires

Weatherproof tire covers are great to keep your exposed spare tires from damage on your Jeeps, RVs and vans. **GarageMate** makes a cover to hide the tires in your garage and you can find it at locally at **Target** or **Wal-Mart** and online at **Amazon**.

Garage Flooring

Beautify your garage floor

Finish your steel building floor with **MotoFloor®** modular garage kits that have interlocking edges and are resistant to grease, gas, oil, antifreeze and common chemicals. Several online retailers and local companies sell **MotoFloor®** kits. **RaceDeck®** garage flooring makes a heavier-duty version of this product and is made at the same plant.

Garage Floor Paint

Beautiful and clean garage floors

Seal®Krete makes sealers and concrete paints that add a beautiful finish to your garage floor. Locally **Lowe's** and **Walmart** carry **Seal®Krete** as well as online. **Behr**, **Rustoleum** and **Drylok** also carry similar products to beautify your garage floor.

Parking Mats

Know exactly when to stop

Maxsa® and **ParkSmart** parking mats help you to maneuver into your **Eversafe** steel building and lets you know exactly when to stop. **Amazon** carries them online and **Home Depot**, **Lowes** and many auto parts stores across the country carry parking mats.

Garage Mats

Keep your garage clean

The **Park Smart Clean Park** is a heavy-duty vinyl that catches the oil, grease and sludge from your tires and underneath your vehicle. Snap-on edges allow for quick and easy installation. **Amazon** and **Home Depot** both sell this garage mat online.

Motorcycle Floor Mat

Park your bike without the mess

The motorcycle floor mat is the same product as your typical garage mat except it is only 10'x5'. It also protects your floor from the grime from your tires and under your bike. **Better Life Technology** and **Park Smart** both make garage mats specially sized for motorcycles.

Gable Vents

Keep your garage cool

Vinyl and aluminum gable vents are perfect to allow for passive air exchange in your **Eversafe** steel garage kit. There are several brands, colors, shapes and sizes of gable vents available on any of several online stores. Locally you can buy gable vents at **Lowe's** and **Home Depot**.

Solar Powered Vents

Keeping it cool with green technology

Ventamatic Cool Attic solar powered roof vents is designed to keep your metal building cool with a fan that is powered by the Sun. Very simple to install with no wiring and no electric cost this device will help keep your building cool. **Amazon** and **Google** shopping both carry solar powered vents and you can find them locally at hardware stores too.

Shop Fans

Simple solution to a stuffy garage

MaxxAir Fans can be found at your local hardware giants **Lowe's** and **Home Depot** as well as online at **Amazon** and several other large web retailers. Ceiling fans can be installed as well in your garage metal building and can be purchased at many local stores.

Exhaust Fans

Get rid of the stale air

Wall and roof exhaust fans by **Global Industrial** are re-tailed at **Home Depot** and **Lowe's** as well as every major hardware store in the USA. Make sure to investigate the size you will need and remember to have the right size louver to allow for the air intake in your Eversafe metal building.

Garage Lighting

Simple solution to the need for additional light in your garage

Florescent and LED lighting will keep your **Eversafe** steel garage building well lit and can be suspended from the ceiling, walls or be portable. LED lights have come a long way and produce lots of light with very low energy consumption. Local hardware stores will carry a full range of lights so it won't be too difficult to find the right one for you.

Solar Lighting

Lights your garage without adding to your electric bill

Solatube and **Velux** both make outdoor solar powered LED lights that are called light tubes or tubular skylights. Running only on power from sunlight these lights are perfect to keep your metal garage bright at no expense. Find them at large online retailers and local hardware giants **Lowe's** and **Home Depot**.

Portable Generator

Great emergency backup when the power goes out

Champion, Briggs & Stratton, DuroMax and Honda make gasoline generators that really come in handy when the power is out. Make sure to choose the proper size generator for your wattage needs. Also be careful to never run the generator with your garage door closed.

Garage Vacuum

Simple solution when you want to vacuum your car or truck

Hoover and Bissell manufacture wall mounted Wet/Dry vacuums that are perfect for your metal building. There are several shop vacs that roll on the floor as well. You can find them all at **Lowe's and Home Depot** as well as several large online retailers.

Stools & Creepers

For the mechanics

Pro-Lift, **Ironton** and **Omega** are popular brands of creepers and adjustable mechanic shop seats to use in your Eversafe garage steel building. Toolbox creepers are available as well as low profile models. Many online and local retailers like **Lowe's**, **Sears** and **Amazon** carry several variations of stools and creepers.

Garage Car Exhaust Hoses

Safely work on your engines inside without breathing exhaust

Crushproof® and **Dayco®** both make exhaust hoses designed for you to safely work on vehicles out of the weather in your steel garage without worry of carbon monoxide poisoning. Local auto parts stores like **Advanced Auto** and tire shops like **Goodyear** and **Firestone** all carry garage car exhaust hoses and online Amazon has plenty of options.

Inflators & Jumpstarts

For emergencies and maintenance

Craftsman, **Black&Decker** and **Campbell Hausfeld** manufacture portable 120V tire inflators that easily store in your trunk so you can fill your tires in your metal garage and anywhere. **Sears**, **Pep Boys** and **Home Depot** carry them as well as many online retailers. Some inflators have built in vacuums or jumper cables. Jumpstart kits by **CAT®** and **Schumacher Electric** are available on **Google** shopping, **Amazon** as well as at local hardware, auto parts and superstores.

Floor Mat Clamp

Professional detailing equipment

Kleen Rite Corp. makes aluminum mat clamps that allow you to secure your floor mats for washing down with a high pressure hose, air drying and vacuuming. **Google** shopping and **Amazon** carry floor mat clamps and at your local auto parts store. You can attach your floor mats with the clamp right to the walls of your steel building to make the job easier.

Wheel Step

Simple application when you need to reach up high

If you park a tall truck or van in your garage metal building and need some help getting in and out a portable wheel step from **Hitchmate** is the perfect solution. Step on the high traction stainless steel when you need to use it and simply fold it back into place when you're done. **Amazon** carries several online and locally **Home Depot** and **Costco** carry them.
